

Trip Information

Transportation:

Durham Parks and Recreation (DPR) buses will be used unless otherwise noted on the itinerary. Smoking is not allowed on Parks and Recreation vehicles. Restroom/rest stops are made during trips.

Seating:

We are unable to reserve seats on vehicles for special needs such as motion sickness. Seating is available on a first-come, first-served basis on the day of the trip. Seat rotation may be used on overnight trips.

Reservation Policy:

Trip reservations are accepted on a first-come, first-served basis with payment and completed registration form. Spaces are only reserved when a deposit/payment has been received!

Payments/Deposits:

Each trip registration flyer lists the maximum number of Mature Adults we can take on the trip. Anyone who signs up after the maximum has been reached will go on a waiting list, and we will contact these individuals in order, if a space becomes available. One-day trips require full payment with reservation! However, most overnight trips will have an option to pay in full or make 2-3 payment (depending on the trip). No reservations are held without payment.

Cancellation Policy:

Cancellations must be made by the date listed on the trip registration flyer in order to receive a refund. Full or partial refunds will be made only if a replacement can be found, and are subject to non-refundable expenses incurred by DPR. If DPR cancels a trip, a full refund will be given. Occasionally, events beyond our control may occur during a trip, resulting in a change to trip itineraries.

"No Shows" for trips receive no refund.
